When his best friend offered him marijuana as a young teen, Michael Chadwick had no idea how the drug would change the course of his future. Even as Michael gained success and wealth as an acclaimed homebuilder, alcohol and drug addiction were to dominate his life. After a series of close calls with death, however, Michael eventually turned to God for help. Faced with extremely difficult times such as the death of his 8-year old son, Michael shares how his hope in Jesus Christ kept him going. You're sure to be inspired by Michael's incredible story of perseverance. Michael will share his faith-based story on Friday, May 20 at the Pamlico County High School Auditorium. He will also share his story with Arapahoe Charter School, Pamlico County Middle School and Pamlico County High School youth the same day during approved school assemblies.
